

On April 6, the Pennsylvania Department of Human Services (PA DHS) invited Personal Care Home and Assisted-Living Facility providers via DHS' Listserv to attend a webinar on April 7 about a new Learning & Support Network to prepare for and respond to COVID-19. If you were not able to attending this introductory webinar, please click [here](#) to view the recording.

During this introductory webinar, the Jewish Healthcare Foundation (which hosted the webinar with DHS) reviewed how to **log into a new Tomorrow's HealthCare™ online community**. If you have not logged in yet, go to <https://www.tomorrowshealthcare.org/>, enter your email address as your username, and use "welcome" as your temporary password. If this log in method does not work, email papcal@tomorrowshealthcare.org with the subject line, "COVID19 Community Login Request," and include your name, title, organization, and contact information in the body of the email.

Once you are logged into Tomorrow's HealthCare™:

- View and register for upcoming webinars in the "[Events](#)" section
- Access past webinar recordings and presentations in the "[Learning Sessions](#)" section
- Access categorized guidelines, toolkits, and factsheets in the "[Resources](#)" section
- Ask general questions about COVID-19 education or request additional education resources in the "[Forum](#)" section

For ease of access, you can also **register for the webinars on Tuesdays from 2:00 p.m. to 3:00 p.m. via the links below** without logging into Tomorrow's HealthCare™.

You will receive weekly updates via this email address about the topics for these webinars and any additional webinars that the COVID-19 Learning & Support Network schedules. Once you register for a webinar, you will receive a confirmation from Tomorrow's HealthCare™ that includes a calendar download link to mark your calendars. Those who register will also receive a final email reminder with the webinar login credentials and agenda prior to each webinar. All of the webinar recordings and presentations will be available in Tomorrow's HealthCare™. The COVID-19 Learning & Support Network is also working to increase the capacity for each webinar in terms of the number of people who can attend each webinar. The registration information will be updated as soon as this occurs.
